

**CLASS SPECIFICATION
SAN DIEGO CITY CIVIL SERVICE COMMISSION**

PARAMEDIC I

DEFINITION:

Under general supervision and in a training capacity as a member of an emergency medical team, to perform paramedic duties in emergency and non-emergency medical situations; and to perform related work.

DISTINGUISHING CHARACTERISTICS:

Paramedic I is the sub-journey class within the City's Paramedic series. Most positions are classified at the Paramedic II level, which is the fully experienced or journey level class. In a training capacity, positions may be underfilled with Paramedic I in accordance with the City's Career Advancement Program. This class is distinguished from the next higher class in that Paramedics I typically assist journey level Paramedics II in providing emergency medical assistance and receive more guidance and assistance in their assignments.

*** EXAMPLES OF DUTIES:**

- Participates in the delivery of emergency and non-emergency medical and health care;
- Assesses nature and extent of illness or injury to establish and prioritize medical procedures to be followed or needed for additional assistance;
